S. O.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE.

GENERAL AND REVENUE DEPARTMENTS.

G.O No. Rl. 124-87– R.A. 13-35-1, dated 12—17th September 1935.

Disposal of Representations, Questions and Resolutions.

Passes orders regarding the——tabled for discussion in the Representative Assembly.

ORDER NO. RL. 124-87—R.A. 13-35-1, DATED BANGALORE, THE 12—17TH SEPTEMBER 1935.

Several requests have been made to Government by members of the Representative Assembly that representations and resolutions included in the agenda of a session but not discussed may be considered and disposed of by Government, the result being communicated at least to the movers concerned. Likewise in regard to questions for which answers are not ready before a session closes it has been suggested that answers might be communicated to the members concerned as soon as they are ready.

According to the Rules of Business of the Representative Assembly, resolutions, representations and questions, which are not taken up for discussion during a session, lapse. So far as resolutions are concerned, it will not be possible for Government to consider them in the absence of a discussion to elicit the feasibility or desirability of the suggestions contained in the resolutions. In regard to representations, it will be impossible to consider all of them as a general rule, but Government will be glad to take action in respect of such of the representations as are really important, and need early attention. As regards unanswered questions, it is open to the members to repeat such questions at a subsequent session. It is, therefore, considered unnecessary to modify the existing rules in this respect.

K. V. ANANTARAMAN,
Chief Secretary to Government.
